

**The Liu Institute for Global Issues and
The School of Journalism Present:**

Alanna Mitchell

“Evidence of a System Switch: Reading the Vital Signs of the Global Ocean”

When: Thursday, November 8th 12:30-2pm

**Where: Multipurpose Room, Liu Institute for
Global Issues, 6476 NW Marine Drive**

Mitchell has spent the past two years traveling around the world interviewing marine scientists about their work and taking part in scientific expeditions. Most recently, she went down 3,000 feet to the bottom of the ocean in a submersible. Based on this extensive field research, her talk will examine the most up-to-date science from around the world on the health of the global ocean.
